

Women in Rail East Midlands

Invite you to

Networking and Coaching

Thursday 5th of July 2018

From 6pm-9pm

The Derby Conference Centre

London Road, Derby

DE24 8UX

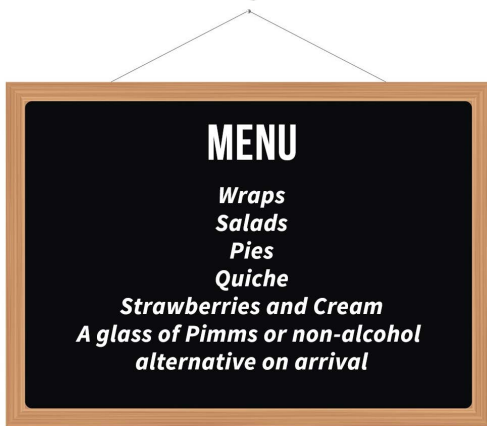

Come and join us for an evening of networking and coaching where you can enjoy a delicious summer picnic and glass of Pimms.

We are delighted to announce that Cath Daley, Women Leaders' Transformation Coach, Author and Speaker, will be joining us to deliver a one-hour workshop. Titled "Retiring Superwoman", Cath will share her expertise to help us embrace models of leadership that will work for us as women.

"We are living through interesting times and it feels that our future is uncertain. I believe that what the world needs right now is more women leaders using their feminine energy to make important decisions. The energy that taps into our intuition, awareness and knowledge as women to bring a new dimension to leadership - to lead in a way that is authentic, energising and extraordinary. It's time to retire "Superwoman" and adopt different a different way of leading that is empowering rather than depleting. It's time to

Lead Like a Woman."
