

WR London Presents A Tour of Three Bridges Rail Operating Centre and Depot

Women in Rail London are delighted that GTR and Siemens Mobility are celebrating National Women in Engineering Day by welcoming members to the Rail Operating Centre in Three Bridges, where parts of the Sussex and London rail networks are controlled.

Guests will be given a tour of the site before visiting the adjacent traincare facility where Thameslink trains are maintained.

16 spaces available – first come first served

Date: Monday 24th June 2024

Venue: Three Bridges Rail Operating Centre, Williams Way, Three Bridges, Crawley, RH10 1HW

By train – Three Bridges (10/15 min walk to site) | By car – Traincare Facility, RH10 1HW

09.30 Meet at the Rail Operating Centre

09.40 Tour of Rail Operating Centre by GTR

11.20 Tour of Siemens Mobility depot
