LAUNCH OF THE WOMEN IN RAIL 2020 MENTORING PROGRAMME

Please join us on

Wednesday 27th November 2019 from 5pm - 7pm

for the launch of the 2020 Women in Rail Mentoring Programme

The launch will be hosted in London {venue to be announced shortly}

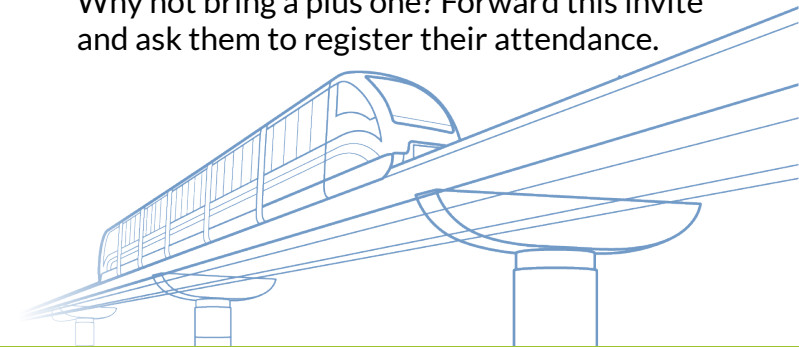

The programme is a cross-industry mentoring initiative aimed at supporting the development of women in rail, but also champion diverse thinking, cross-fertilisation of ideas and promote diversity in our industry, starting with gender diversity as the core focus but embracing broader diversity over time.

At the launch, we will outline the key features of the 2020 programme which includes its opening to male mentees (as well as female mentees) working in UK rail.

We will also hear from senior industry leaders and supporters and from mentors and mentees who took part in the 2019 programme.
