

Women in Rail & Women in Nuclear: Join Together to Inspire Change

Turner & Townsend are delighted to host a joint event between Women in Rail & Women in Nuclear Northwest.

A first of its kind, the event brings together the two industries to knowledge share on key themes across Rail and Nuclear. The panel event will include professionals from both industries, representing a variety of backgrounds and seniorities, to share their thoughts and experiences. We hope the event will provide the opportunity to come together and compare and contrast around the themes of support, attract & promote, and technology & innovation.

Thursday 19th September
6pm – 8pm (arrival from 5:30pm)

**Turner & Townsend, 4th Floor, 11 York
Street, Manchester, England, M2 2AW**

Sign up will operate on a first come first served basis. For each group there will be 30 spaces available, with a waiting list.
