

Our latest joint event with Young Rail Professionals:

Networking and Career Discovery with Matchtech

CP7 North Launch Event

Providing a platform for open dialogue and expert perspectives on the future of rail infrastructure, this is a must-attend event for anyone involved in or looking to enter the rail sector.

Email David.Baisan@matchtech.com to secure your spot if you're a Women In Rail member; Non-members are still welcome! [Register here](#)

David Baisan

Head of Rail Professional Services | Matchtech
Dave has been involved in leading projects, supporting clients with bid work and helping the next generation of engineers come into the industry

Holly Fisher

Associate Director | CPC Project Services
Holly will share insights into her impressive career and delve into the transformative TRU West project

Georgie Smales

Young Rail Professionals
Georgie will offer valuable advice on how to break into the rail industry.
